

## Mandated Reporter Training Description and Materials

This training will familiarize you with your mandate as defined by the State of Maine's law regarding the abuse and neglect of children.

The Mandated Reporter Training is provides all materials presented online in a clear, easy to follow booklet. The length of the training program, the audience, and the goals of the training, guide the trainer in determining which modules will be presented in the training.

The Modules cover the following categories:

- Introduction and Overview
- Understanding the role of mandated reporters
- Recognizing child abuse and neglect
- Responding to Disclosures of abuse and neglect
- How to make a report
- DHHS Child Protective Services process
- Child Abuse and Neglect - What the data tells us
- Linkage of Child abuse and Animal abuse

To schedule a mandated reporter training for your agency please call us at 778-6960.
