THE 2GEN APPROACH

2 GEN

Two-generation (2Gen) approaches build family well-being by intentionally and simultaneously working with children and the adults in their lives together. 2Gen approaches center the whole family to create a legacy of educational success and economic prosperity that passes from one generation to the next.

WAYS YOU AND YOUR FAMILY CAN BENEFIT FROM 2GEN

EDUCATION

- Funds for training and coaching parents to achieve better jobs and higher wages. Support parents who would like to further their adult education and/or post-secondary education. This may include cost of tuition at Mt. Blue Adult Ed, local community colleges and UMF, books and electronics for classes, and more.

WELL BEING

- Improving a family's health and well-being by supporting their physical and mental health. This may include cost of services and/or connecting to resources.

ECONOMIC ASSETS

Financial stability is critical to a family's economic and social mobility. These assets include housing, transportation, financial education and asset building, tax credits, student financial aid, nutrition assistance, and more.
